## e-News Letter

Volume 1, Issue 1, July 2019- Dec 2019

### **Principal Massage.....**

I welcome you to Tatyaraoji More College of Pharmacy (TMCOP), Umerga. I also take this opportunity to congratulate you for seeking admission to D. Pharm & B. Pharm. course and extend my best wishes for your bright future.

Increasing global advancements in the field of Pharmaceutical sector have led to a greater demand for qualified Pharmacists

The Institution has well qualified and experienced faculty, well equipped laboratories, lecture halls and tutorial rooms, library, computer laboratory with internet facility, and a huge play ground with sports facilities. There is an emphasis on overall personality at TMCOP.

Innovations in teaching learning methods and value additions in the form of soft-skill training, career-orientation programmes, grooming, etc., are some bold initiatives introduced by the college.

I hope you will enjoy the academic ambience, warmth and personalized care while expanding your intellectual and cultural horizons.

.....**Mr. Kavaljit Satish Birajdar**

### **Editorial desk....**

I am very much happy to release the first volume of e-news letter of TMCOP for the A.Y. 2019-20. The college magazine is a symbol of pride and a miniature representation of the college. Any individual going through the magazine would clearly gauge the principles, values and ideology of the institution. The benefits of a college magazine are immense.

I along with my Editorial Boards indented to build a foundation for the student and society which will encourage us to serve quality teaching and learning process and making success in the field of pharmacy.

.....**Mr. Prashant P Mane.**

## e-News Letter

Volume 1, Issue 1, July 2019- Dec 2019

**“Fresher’s Party”** in any college is an event which every student eagerly awaits from their time of admission. The 5<sup>th</sup> of September 2019 was as a memorable day in the life of every fresher of D. Pharma batch 2019-20 at TMCOP, Umerga campus. The fresher’s day was filled with excitement, joy, music, enthusiasm, laughter and happiness.

To create the awareness among student to use the waste product in best way TMCOP has organised guest lecture on 9<sup>th</sup> September 2019. Recycling and reusing the valuable waste material can result in development of fantastic and usable products. Rather than putting these waste materials into the landfills, various innovative and creative ideas can be put together to being something new and useful.
